Managing Team

It is my pleasure to introduce our company to you. M U Fashion Limited is a premier garments company in Bangladesh, strictly adhering to international standard of quality garments. It has been rendering quality service for all apparel buyers since 1997 by name of Uranus Apparels Ltd.

M U Fashion Limited is run by highly experienced and efficient management, having well equipped structural facilities with excellent professional service to meet the needs and expectation of international apparel's customers.

We believe in honesty, integrity, hardworking attitude, trust and mutual co-operation. We want to keep up with modern technologies and be an example to other companies in the industry. We want to consistently develop our company and contribute to the development of our country as well.

M U Fashion Limited is committed to providing world class quality garments while attaining excellence in production with state-of-the-art workmanship, competitive price and quick turnaround. Our goal has always been to manufacture quality products and ship on time. Season after season we are grateful to our clients for keeping their trust in us which we believe was earned simply because of our workmanship and transparency.

We look forward to the coming days with determination to remain faithful to our customers and clients. On behalf of everyone at M U Fashion Ltd we cordially invite you to visit our factory.

Thanks.

Samir Kanti Dey (Managing Director)

Introduction

We have started our journey in clothing business since 1997 in a very small scale with the yearly turnover of USD4 million only. Throughout of the journey the way we across that taught us a lot about modern technology of production, compliances for environment, obligation for nature, commitment for social, performance for customer and for the economy, the growth of micro level is the ultimate growth for the nation.

M U Fashion Ltd is a 100% export oriented readymade garments manufacturing unit with advance and latest technology evenly supported by highly skills work force. Our highly motivated professionals are run the workflow of production with preset barrier of standard to ensure optimum level of quality.

This facility is being built as a state-of-the-art production unit with the goal of premium quality for premium customer. We “believing in performance” where never being compromised with quality.

Currently we have capacity to produce for 500,000 pcs of garments per month and our expansion is going on, within couple of months our capacity will be 10,00,000 pcs per month. Total production space 100,000 SQF in a 7 stored building equipped with all high-tech machineries.
